Re: SPPR Group Proposal dated June 23, 2010

Dear Darrick:

I am writing this one letter on behalf of six client entities that are customers of Western: Aguila Irrigation District, City of Safford, Electrical District Number Eight, Harquahala Valley Power District, McMullen Valley Water Conservation & Drainage District and Tonopah Irrigation District.

At the June 23, 2010 meeting Western conducted on this subject, you asked for feedback by today on the proposed ED5-PV Project outlined in the presentation on June 23.

On behalf of the above entities, we express support for Western proceeding with this proposal under the conditions outlined in the presentation.

Thank you for the opportunity to comment on this proposed Project.

Sincerely,

Jay I Moyes
